MAYTOWN MISSIVES.

Old Mr. Culwell is very ill. Vernie Clark is on the sick list. Buford Pieratt, of Ezel, was in town Friday.

Frank Davis was in town Saturday and Sunday.

Willie Childers has returned home from Campton.

John Neff has moved to the farm he bought of Juda Bolin.

Sherman Rice, of West Virginia, is the guest of his mother, Mrs. S. J. Adams.

Estill Clark who is attending State College at Lexington came home on a visit.

Tuesday the 7th, S. J. Adams and wife, Mrs. Sarah Ingram and daughter, and Clarence Pieratt and family were entertained at the home of Joe Pieratt.

The oil question is now discussed here, and as there is a good lot of land around Maytown that has not been leased we should be glad for some company to lease it and begin operations.

Aunt Nancy Ward died on Wednesday March 8th, at the home of Harve Ward, where she has been confined to her bed for six months. The funeral services were conducted by S. J. Adams. She was 80 years old.

Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube gets inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give \$100 for any case of deafness (caused by catarrh) that can not be cured by Hall's Catarrh Cure. Send for circulars, free. F. J. CHENEY & Co., Toledo, O. Sold by druggists, 75c. Take Hall's Family Pills for constipation.

OIL NOTES.

From the Campton Courier.]

The two wells on the Isaac Wiler farm are reported as making a tank a day, or about 175 barrels.

The drillers on the No. 1 well on the Quillan farm have had bad luck, losing their tools, and are now trying to fish them out.

Hisle & Wilson have the rig completed for No. 1 well on the farm of Jno. T. Alexander and drilling will begin next week.

All of the wells in the field that are producing are holding up nicely, and show staying qualities excelled by no field in the country.

Byrd & Stamper have a very fine well on the Wm. Roberts farm, it showing natural for as good as any in the field, and when treated to a dose of high explosive should make from 80 to 100 barrels per day.

Beckett, Isomon & Co. shot their No. 1 well on the Noah Wyatt farm to-day. While it did not fill up as rapidly or to as great a height as wells generally in the field, there is no doubt but what the shot will make a nice producer of it.

Work is going slow throughout the field on account of it being impossible to move any heavy loads over the roads. We predict a rush as soon as they are in good condition to work on, as numerous operators have signified their intention of drilling wells as rapidly as possible through the good weather.

Tired Nervous

When you feel languid, tired, nervous and irritable, your vitality is low—your supply of nerve energy exhausted, and your system running down for lack of power.

The organs of the body are working poorly, or not at all, and you are not getting the nourishment needed. This soon impoverishes the blood and instead of throwing off the impurities, distributes it all through the body. This brings disease and misery.

Feed the nerves with Dr. Miles' Nerve, a nerve food, a nerve medicine, that nourishes and strengthens the nerves, and see how quickly you will get strong and vigorous.

"My wife suffered with nervousness previous to a recent attack of typhoid fever, but after her recovery from the fever, she was much worse, and could hardly control herself being exceedingly nervous when the least excited. She was very restless at night, and never had a good night's rest. She also suffered much from nervous headache. Dr. Miles' Nerve was recommended by a friend. After the first three doses she had a good night's rest, and at the end of the first week's treatment she was wonderfully improved. Continued use of Nerve has completed her entire cure."

1021 Cherry St., Evansville, Ind.
Dr. Miles' Nerve is sold by your druggist, who will guarantee that the first bottle will benefit. If it fails, he will refund your money.

MURPHY FOLK MINUTES.

Born, on Tuesday, to the wife of Frank Lawson, of Greasy, a girl.

Harry Nickell, of Daystoro, put up some very fine mantels last week for John Pieratt.

Roy Murphy, of Greasy creek, returned home from Middletown, O., and speaks well of the place.

Milt Lykins swapped horses with Hugh Blankenship last week and got a "blue ten" on the deal.

Mort Cecil and family paid a two days' visit to Mrs. Cecil's sister Mrs. Easter Miller, three miles above Lee City.

On Sunday Ben Murphy was honored with a visit from some of his relatives including Wash Swango, and wife, of Valeria, and Hiram Greer, Grassy.

Old Hasbeen passed through our village on Monday, heading for Hazel Green. He remarked to us that there was more mud on the road than he ever saw in dear old Ireland.

John Pieratt and Ben Murphy left on Monday for Campton, taking four mules along, but failed to trade. This is not Ben's usual way, but it happened once in a life time.

Milton Gibbs, of Grassy, was very sick in the poor house. His son Andolph, took him home to wait on him and he is expected to die at any moment. The old man is 79 years of age and blind.

Sam Wilson was on Friday and Saturday at work on the oak furniture at Mort Cecil's home. He's a dandy at this style of work. He can take any old thing and make it imitate any kind of hard wood.

Mort Cecil is strictly in it, for recently he and Marion Davis had a conference in reference to a sale of a large boundry of timber. If secured Marion intends to put up a mill to saw it into lumber and have it marketed for Helechawa. Hurrah for Murphy Fork.

Monday was moving day in Hazel Green. Mrs. Sophrenia Shockey and her two children moved from the Henry Adams house to her father's, Rev. James M. Little, on Gillmore; Clayton Center and wife moved into the property vacated by her; Mrs. John Jeff Cox moved to Montgomery county; A. C. Pieratt moved from town to Tom Lee's, on Grassy; Jess Tolson moved from Johnny Kash's to Uncle Harry Swango's.

ONE FULL QUART OF WHISKEY FREE

We know the meaning of words and will do as we say. We claim to be the largest distillers of pure, old, and the finest North Carolina Whiskey in the South. All the people here would testify that they know now—they are too honest. Most whiskey sellers are noted for mixing, blending and watering. We sell more genuine old whiskey and less water than any known competitor. "Casper's 11 Year Old" Whiskey is a liquid fact. It is made by honest people in the mountains of North Carolina, in old-style copper stills, just as it was made by our grandfathers. First-rate whiskey is not at \$2.00 to \$4.00 per gallon, but it is not any better than "Casper's 11 Year Old." It must please or we will buy it back. We have a capital of \$100,000, of this city will tell you our word is good. To introduce this old, honest whiskey, we offer four full quarts of "Casper's 11 Year Old"—two sample bottles, one B. one 18 year old—a cork screw and a drinking glass—all for \$2.50. If \$2.50 is sent we will double the above and put in free One Full Quart Extra. We have some of this whiskey only 7 years old, and will send free a gallon for \$2.00 or will furnish twenty full quart bottles on receipt of \$11 and give free corkcraw, drinking glasses and samples, making this whiskey cost less than \$2.00 per gallon delivered. We ship in main boxes with no marks to indicate contents, and Prepay all Express. Buyers West of Texas, Kansas, Nebraska and Dakota must add 20 cents per quart extra.

+ANNOUNCEMENTS+

COX.—We are authorized to announce HENRY M. COX, of West Liberty, as a candidate for Representative from the 91st district, subject to action of the Democratic party.

The story of "The Hermit," now running in the Story Companion of Pennsylvania Grit, is one of the most readable bits of fiction that we have perused for some time. In the issue of March 26th the initial chapters of the new story, "The Lure of Gold," will appear, and it promises to be of absorbing interest. Either of these serials in book form would cost you \$1.00. If you take Grit you can read 10 or 12 such in a 12 month beside a paper of 12 or 16 pages each week. Little Laroy Williams will supply you with it each week.

The verdict for libel against the Louisville Post and Editor Knott was the most disgraceful that ever stained the pages of a court calendar in this Commonwealth. Pat Sharkey, a Louisville saloon keeper, was shown to have run a gambling hell, kept a "bed-house" for private assignation and a "fence" for thieves, and yet a jury brought in a verdict of guilty and fined Mr. Knott \$500. It is known of all men that Louisville delegates will sell in political conventions, but we doubt if any one thought that a jury corrupt enough to sell and fine one of their best citizens in face of the law and the evidence, especially when that man was trying to check crime in the city, could be found. But it was found, and did its dirty work. Sodom and Gomorrah was not a circumstance to Louisville in corruption, and Editor Knott is to be congratulated that the corrupt contingent is against him. It makes cleaner the clean clientage, that is with him to a man.

THE HERALD having had some private inquiries about C. S. Mick, one of its advertising patrons, who now lives at Rock Island, Illinois, avails of this method to answer one and all. Mr. Mick came to our town in the fall of 1889, from West Liberty, where he was located for a month or more, and where he made many friends. Indeed some of the best citizens of that place wrote him introductory letters to us. During his sojourn among us we spent much time in hearing him relate his travels, tell anecdotes, etc. He also had a cabinet of curios, to which we gave some attention. One of his first acts here was to give us a liberal advertisement, for which he paid quite liberally, and in all of his business transactions, both then and now, we have found him straightforward, honest and prompt, and socially and otherwise a gentleman as to the manner born. His name, assumed for business purposes, was "Ke-no-ta," and in that capacity he had the confidence of the people, which he never betrayed. We regard him as a gentleman worthy every confidence, strictly honest, and particularly painstaking to please his patrons.

Women as Well as Men Are Made Miserable by Kidney Trouble.

Kidney trouble preys upon the mind, discourages and lessens ambition; beauty, vigor and cheerfulness soon disappear when the kidneys are out of order or diseased.

Kidney trouble has become so prevalent that it is not uncommon for a child to be born afflicted with weak kidneys. If the child urinates too often, if the urine scalds the flesh or if, when the child reaches an age when it should be able to control the passage, it is yet afflicted with bed-wetting, depend upon it, the cause of the difficulty is kidney trouble, and the first step should be towards the treatment of these important organs. This unpleasant trouble is due to a diseased condition of the kidneys and bladder and not to a habit as most people suppose.

Women as well as men are made miserable with kidney and bladder trouble, and both need the same great remedy. The mild and the immediate effect of Swamp-Root is soon realized. It is sold by druggists, in fifty-cent and one dollar sizes. You may have a sample bottle by mail free, also pamphlet telling all about it, including many of the thousands of testimonial letters received from sufferers cured. In writing Dr. Kilmer & Co., Binghamton, N. Y., be sure and mention this paper.

Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

What Will Help You Will Help Me.

Having had sickness in our home all winter and having to neglect my shop-work has thrown me in a hard place. So I now appeal to those who owe me to come at once and settle up as Spring time draws near and I want to be able to help customers in the future by going to the city early and buying a nice stock of Millinery and Ladies' Furnishings. I shall have everything in my shop on sale for the next month at very low prices—lots of things selling at less than they cost me in the city. I do this to make room for fresh goods and to be able to pay my creditors. I trust that you will heed my appeal and come in and get the benefit of my low prices. Any and all of my winter stock is going at cost; also, Hamburgs, laces, &c., and in addition to this every purchaser of a dollar's worth in cash will be given a nice souvenir. In a wreck on the K. It is thought both will recover, though Hays leg may have to be amputated. Hays was foreman of the hauling crew and Caudill was fireman. This is the first accident of a serious nature that has happened on this road.—Jackson News.

"SAVED MY LIFE"

—That's what a prominent druggist said of Scott's Emulsion a short time ago. As a rule we don't use or refer to testimonials in addressing the public, but the above remark and similar expressions are made so often in connection with Scott's Emulsion that they are worthy of occasional note. From infancy to old age Scott's Emulsion offers a reliable means of remedying improper and weak development, restoring lost flesh and vitality, and repairing waste. The action of Scott's Emulsion is no more of a secret than the composition of the Emulsion itself. What it does it does through nourishment—the kind of nourishment that cannot be obtained in ordinary food. No system is too weak or delicate to retain Scott's Emulsion and gather good from it.

We will send you a sample free.
Be sure that this picture is the form of a label on the wrapper of every bottle of Emulsion you buy.

The editor of this paper will endorse the honesty of the following paid local: In October, 1889, I, C. S. Mick, known as "KE-NO-TA, THE INDIAN MEDICINE MAN," came to Hazel Green and stayed two weeks, giving free shows every night, and selling my own make of medicine. The remedies were good, and did good for all my customers, and many of your people followed me to Campton, Jackson and Beattyville to get medicines that would cure them, and all were loud in their praise of the wonderful curative effects of the medicines they bought. I did more real good for my mountain customers than any other medicine man that has ever visited your community and I take this method to inform you that I am still alive, hale and hearty, and although nearly 68 years of age, feel like a youngster of 35. Myself and family (wife and two boys) live at Rock Island, Illinois, where I have my office, from which I ship daily to all parts of the United States the medicines that I make and have advertised for nearly fifty years.

My Medicines Won't Raise the Dead, But I still offer ONE HUNDRED DOLLARS REWARD for any of the following diseases that the use of my remedies fail to benefit and CURE TO STAY CURED—Consumption, Asthma, Rheumatism, Rupture, Tape Worm, Lost Manhood, Fits, Bed Wetting Habit, any and all Female diseases, Spinal Disease, Lumbago, Kidney Disease, Catarrh of Head, Chronic Constipation, Indigestion, Stomach Trouble, Old Sores, Piles, Scrofula, Worst Blood Diseases, Necrosis or rotting of the bone, Big Neck, White Swellings, Nervousness, Heart Palpitation, Liver Troubles, Dyspepsia, Varicose, Nervous Disability, any contracted disease, all diseases of men, lack of force, manly waste, skin diseases, Eczema, Birth Marks, Old Sores, Fever Sores, Sores in Scalp, and many others.

THE SECRET OF MY SUCCESS is in the fact that I make my medicine out of Herbs, Barks, Berries, Gums, Leaves and Plants that I gather in the woods where they grow, and I am the only living white man that does this, and I make ONE MEDICINE FOR ONE DISEASE. On this plan my remedies do good for each person I deal with. Now, if you have chronic disease of any kind that your resident doctors have not and can not cure, write to me, describe your feelings and symptoms in your own way, name the true date and month of your birth, that I may know your age, inclose a 2-cent stamp for reply, and I will answer and tell just what I would have one of my own family use if either of them were similarly afflicted, and my price for the medicine. Then if you want the medicines write me, and put the price in the letter; register your letter at the postoffice, and on receipt of same here, I will ship you the very best medicines that can be had on earth, with full and complete directions how to use them, and when followed, a Positive Cure will result. DO NOT DELAY WRITING TO ME, as life is uncertain at my age, and to get my medicines YOU MUST WRITE TO ME WHILE I AM ALIVE. Address all mail like this:

C. S. MICK,
THE MEDICINE MAN,
ROCK ISLAND, ILLINOIS.

SPECIAL DIRECTIONS.—You can cut out the above printed address and paste it on your envelope, and it will be sure to reach me. (Write of an egg makes a good paste).

EXTRA SPECIAL.—I will send you exactly how to direct my letter to you so as to reach you—WRITE YOUR OWN NAME PLAIN and DISTINCT. If you get mail by rural free delivery, TELL ME SO, and give the number of the route, and you will quickly hear from me. All letters are strictly confidential, and are opened by me in person. So talk plain and tell me all. I can send you a remedy for any ailment, NO MATTER WHAT IT IS, and it will work like a charm. If you, reader, are not afflicted in any way, want you please call the attention of some suffering relative or friend to this notice, so that they can regain their health? By doing this you will be doing them a kindness, and me a favor at the same time. My prices are very low. To illustrate: I will send by mail 3 boxes of my Indian Herbs for Constipation, Indigestion and Liver and Stomach disorders, for only One Dollar. Each box is worth that. Always send money with your order.

A new mail route has been established between this place and Helochawa, and John M. Rose has the contract to carry the mail. The first trip was made Monday. This new order of things is a big improvement as compared to the inconvenience the people have heretofore had to contend. A letter from here to Helochawa, only five miles, had first to go to Cannel City, 12 miles away, and come to that place by rail. Mr. Rose will put on a regular hack line and for the nonce carry express packages from Helochawa to this place. Later on, it is hoped, an express office will be established here. It would certainly fill a long felt want, and interested people say God speed the day.

Mrs. H. F. Pieratt is attempting to close down a porch door leading to the cellar fell to the bottom of the latter, smashed her foot and skinned her shin. It was moonlight and she stepped upon the shadow of a porch post, thinking it a plank. The fall was about eight feet, broken by coming in contact with the steps, and they came near breaking her leg. This happened Thursday night and she has since been confined to her bed. It "shore" was a close call.

At this writing, Monday morning, Uncle Pres Trimble is considered critically ill, and his age, 86 years, mitigates against his recovery. He has been feeble all winter, and the inclement weather has kept him in doors, but a few weeks since he was taken suddenly worse and has since been confined to his bed.—Later he died yesterday morning at 6:30 o'clock. Space forbids this week, but will have more about his demise in next issue.

Milton Gibbs, new in the Morgan county poor house, has been accepted as an inmate of the Confederate Home at Pewee Valley, and will be sent there as soon as his old comrades and friends raise the money to pay his transportation. He belonged to Capt. Chap Swango's company of the Fifth Kentucky Cavalry. Since putting the above in type it is learned that Mr. Gibbs is sick at the home of his son, Adolphus Gibbs, and his condition is such as to preclude the probability of his going to the Pewee home. Indeed it indicates a journey to his heavenly home in the near future.

Incredible Brutality.

It would have been incredible brutality if Chas. F. Lemberger, of Syracuse, N. Y. had not done the best he could for his suffering son. "My boy," he says, "cut a fearful gash over his eye, so I applied Bucklen's Arnica Salve, which quickly healed it and saved his eye." Good for burns and ulcers too. Only 25c at all druggists.

The news comes from the bedside of Hon. Jonathan Quicksall, who is at the home of John Cecil, his son-in-law, that he is critically ill. All of his children have been communicated with, and Mrs. W. T. Swango, of Montgomery county, was expected Monday night.

The Japanese-Russian War.
The Japanese legation at Washington has received the following cablegram from the Foreign Office at Tokio dated March 12.

"Armies on the Shakhe quarter reported up to Sunday morning, the following approximate figures, and they are still increasing:

"Prisoners, over 40,000, including Major General Nachmoss.
"Russian corpses on the field, 26,500.

"Other Russian casualties, 90,000.
"Trophies, two ensigns, 60 guns, 60,000 rifles, 150 ammunition wagons, 1,000 army wagons, 200,000 shells, 25,000,000 shots for rifles, 74,000 bushels of grain, materials for light railroad for 46 miles, 300 wagons for light road, 2,000 horses, 23 Chinese carts full of clothing, 1,000,000 portions of bread, 150,000,000 pounds of fuel, 223,000 bushels of horse allowances and 100,000 pounds of hay. The report from the Hing-King quarter has not been received."

VALERIA VAGARIES.

Old Uncle Fleming Nickel formerly of Ezel died at Salt Lick last week of complication of diseases and was buried at Ezel.

Clay Swango, one of the brightest pupils in the select school of Miss Nora Crucey, at Bethel, reports the school as a glowing success.

The recent rain brought a fine tide on Fallenswater a tributary of Red river. Staves, ties and logs went down the river, Adams and Bowman as general superintendents, under Jerry Childer.

Billy Wilson has moved into the house vacated by Bruce Gibbs, then Gibbs moved to the Jesse Swango house, near this place, and Neut Bowling goes to upper Long Branch to live with his son-in-law.

Wash Swango sold a small lot of cattle to his father and brother-in-law, Jim Murphy, and then bought a bunch of cattle from Henry Murphy of Valeria, who is buying them for the Mt. Sterling market.

A corn husking occurred at Jesse Bowmans of this place on Saturday. The attendance was small owing to the number of young people having the grip. And the death of an only daughter of John A. Ross, of consumption.

Ed Adams and Bill Bowman returned last week from Middletown Ohio. They had no trouble in getting work. But alas, the pay was not enough to satisfy them. The wages were 30 cents a day and beard was 50 cents. At this rate they thought it was best to return to old Kentucky.

March 13, DRUMMER.

Mrs. Jane Spencer, widow of Tom Spencer, died on Wednesday of last week, aged about 45 years. She lived on the Squire Vest farm, on Gillmore, and was a sister of Mrs. Nickell, who died just a week previous, to the day. She leaves six children—two boys and four girls, all grown, and four of them married.
